

An aerial photograph of a small, dark-colored speedboat with a yellow stripe, moving across a deep blue ocean. The boat is leaving a large, circular wake that resembles a giant lily pad. The wake is composed of white, frothy water that contrasts sharply with the dark blue of the surrounding sea. The sun is visible in the upper right corner, creating a bright glare on the water's surface.

VIPER OPEN RIB BOAT “GRIGORIS”

DESIGNED FOR PERFORMANCE.

Comfortable seating areas and smart layout create a relaxed onboard atmosphere
throughout the day.

EVERY DETAIL MATTERS.

Premium finishes, practical features and a design that balances function with simplicity.

Strong engine performance and excellent stability ensure smooth cruising in all sea conditions.

STEP ON BOARD.

**EXPERIENCE IT
FOR YOURSELF.**

An aerial photograph of a small boat moving across a deep blue ocean. The boat, which is yellow and black, is positioned on the right side of the frame, leaving a wide, white, foamy wake behind it. This wake forms a large, symmetrical, rainbow-like shape that dominates the center of the image. The water's surface is textured with small ripples, and a bright sun flare is visible in the upper right corner. Overlaid on the center of the image is a semi-transparent grey rectangle containing the text "THANK YOU!" in a white, bold, serif font.

THANK YOU!
